CAPABILITY-STATEMENT

CAPABILITY STATEMENT

Company Name: Stiverson Machine and Tool, LLC
Primary NAICS: 332710 – Machine shops
Business Type: Small Business, Family Owned
Location: Angola, Indiana

UEI Number: EW8AQQKNY3A8
CAGE Code: 15B65

Website: www.stiversonmachine.com
Email: randy@stiversonmachine.com
Phone: 260-243-5579

CORE COMPETENCIES

- Precision CNC machining with 3-axis milling capabilities
- Small-batch and prototype manufacturing for industrial and commercial applications
- Tight tolerance parts production with rigorous quality control
- Collaborative design and manufacturability feedback
- Rapid turnaround and hands-on customer support

DIFFERENTIATORS

- Owner operated shop, with direct accountability and agile decision making
- Decades of hands-on CNC programming, setup, and operation
- Transparent communication and methodical problem solving approach
- Lean operation with low overhead, providing a competitive pricing advantage that is ideal for federal contracts
- Experienced in machining aluminum, steel, plastics, and a wide range of other materials

PAST PERFORMANCE

While Stiverson Machine and Tool, LLC is a newly established business, its foundation is built on decades of hands-on expertise. The owner brings extensive experience in design and engineering changes, having successfully addressed and implemented solutions for both performance and safety issues in previous roles. This background ensures a methodical approach to problem-solving and a deep understanding of the entire production process, guaranteeing that the parts produced are not only effective but also safe and reliable.

REGISTRATIONS & CERTIFICATIONS

- Active SAM.gov registration
- SBA Profile active

KEYWORDS TO FEDERAL VISIBILITY

CNC machining, 3-axis milling, precision parts, prototype manufacturing, tight tolerances, small-batch production, industrial machine shop

We earn trust through performance, not promises. Ready to support your next precision machining project – contact us to discuss your requirements.
